

Documentation Downloads

Click the links below to download a Microsoft Word version of our Guides and related documentation.

The information in this section only applies to version 6.03 of the Reporting Software Options and related documentation. See [this page](#) for other versions of the documentation. The version number of the PRL software you are using can be found on the Help menu under the About item.

Getting Started Guides

- [Getting Started Guide - Option A](#)
- [Getting Started Guide - Option B](#)

User Guides

Guides to using the four Pesticide Reporting Software Options.

- [Option A User Guide](#)
- [Option B User Guide](#)
- [Option D and O User Guide](#)

Option C has been incorporated with Option A as of version 6.1, so new versions of this option will not be available.

Installation and Report Submission Guides

- [PRL Software Installation Guide](#) - Guide for installing Options A and B.
- [Report Submission Guide](#) - describes the five ways of submitting an electronic report as well as how to submit a paper report.

Additional Documentation

- [Text File Specifications](#) - specifications for third-party software [PRL](#) files and manually-created [PRL](#) files.
- [Report File Naming](#) - [PRL](#) files names require a standard *form prefix* and *extension*. Our software defaults the file name based on the naming convention in this guide when you save a file. Please review the guide if you want to change the default name.
- [Enabling Macros In Excel for Option B](#) - Option B uses [macros](#) to enhance the basic Excel workbooks and will not work without them. Use this guide to configure Excel and the Option B workbooks.
